

ABOUT OGC

Established in 1960, the Ottawa Gymnastics Centre is the oldest operating not-for-profit gymnastics organization in Canada. The club began in numerous high schools where equipment was packed away each night and boys and girls trained in different locations.

The club moved into a more permanent facility in 1980 at 175 Richmond Road. In 1988, the club moved again into the City Centre off Scott Street. Unfortunately, this facility was too small for the ever-expanding club so in 1992, the Ottawa Gymnastics Centre moved into its present facility at 294 Elmgrove Avenue, the former Lyons hockey arena.

It is here that the OGC has been able to create a wide variety of programs and our membership has grown to over 3000 members, from 6 months old to adulthood.

Why Sponsor Us!

Sponsoring our not-for-profit gymnastics club is a powerful investment in the future of our community's youth and a prime opportunity for enhancing your business's visibility.

Your support directly funds essential needs like purchasing new equipment as well as access to high-quality coaching and a safe place to build confidence, discipline, and physical fitness.

In return, your organization will gain prominent brand exposure to hundreds of local families and be recognized as a dedicated community partner that helps young athletes reach their full potential.

Other Opportunities

We are currently accepting donations for our financial assistance fund.

Additionally we are accepting gift cards for raffles and special events.

Looking to engage you clients? Speak to us about a donation on pur behalf for a birthday party gift certificate.
