

## **Vaccination Requirements Expiring**

Effective July 1st, 2022, the Ottawa Gymnastics Centre (OGC) will be allowing its COVID-19 vaccination policy to expire. Participants in OGC programming will, therefore, no longer be required to provide proof of vaccination to attend classes at OGC. OGC staff and Board of Directors will continue to monitor public health and government directives to ensure OGC COVID-19 measures continue to effectively protect OGC employees and patrons. The OGC will continue to actively review and modify health and safety protocols to mitigate the risk of COVID-19 in our workplace and our community. The OGC reserves the right to reinstate any COVID-19 measures, including a vaccination policy, should our staff and Board of Directors deem it necessary. Any changes to COVID-19 safety measures will be communicated via email and social media. Applicable OGC policies will also be updated and available on the OGC website.

We greatly appreciate the support of our patrons and community over the past 2 years and we look forward to a return to full programming at OGC this summer.
